Please Remember Holy Family Parish in Your Will

From the desk of *Sister Patti*

**J**esus' public life and ministry is a great eye opener in the scriptures. Do you ever imagine what it might have been like to live with Jesus during his life of Ministry? Throughout his ministry he seems almost comfortable moving from village to village being attentive to so many folks. He was always attuned to their questions even as we hear in today's gospel, "Lord will only a few be saved?" The question posed shows stress, concern, worry...

Jesus is not confused or intimidated. Jesus who moves always out of love and guided by the spirit, knows what is best. Throughout His ministry, Jesus manifested in word and deed that oneness is at the heart of God's dream for creation. Thus he responds without hesitation or apology that love of God, neighbor, and self is a great guideline-not always easy-but certainly so inclusive and strong.

We are called to life to be life givers— people who hold love of God and love of neighbor without distinction. People who in their being and acting as one with all creation release into a universe reeling with kindness and violence in abundance toward all. Knowing we live in a time of God's favor, let us consciously use our power and our faith to bring God's family together, a union in love, which celebrates life for all in God and God's son, Jesus. Let us continue to pray and breathe in the air of summer and breathe out peace and gratitude that God has brought to life through each one of us. In the alleluia verse we hear, "I am the way, the truth, the life.
